### **CLINICAL NEUROPSYCHOLOGY EXTERNSHIP**

Graduate psychology students interested in neuropsychological assessment are eligible for clinical externship with the Weill Cornell Neuropsychology Service in the Department of Neurology at New York Presbyterian Hospital-Weill Medical College of Cornell University.

We are an outpatient clinical program performing assessment of adults with neurologic disorders. The program is housed within the Weill Cornell Memory Disorders Program/ Division of Neurodegenerative Disorders and will be of particular interest to trainees looking for clinical and diagnostic experience with aging & dementia.
